Advance, in partnership with the Police aims to divert women away from the criminal justice system and provides dedicated support services tailored to women's needs.

Our specialist Advocates work closely with the police, housing, health, children's services, and other professionals to get women the help and advice they need from one place.

We believe that the criminal justice system is built by men, for men, so it is important that a safe, women-only option is available

WOMEN NEED WOMEN WHO SUPPORT THEM

Advance's Criminal Justice Service offers:

- Targeted support and advocacy for women to address practical and emotional needs, including outreach services
- Intensive one-to-one support across all women's rehabilitative needs
- Safe, women-only local hubs pan-regional and Women's centres
- Access to tailored groups and workshops delivered by specialist providers

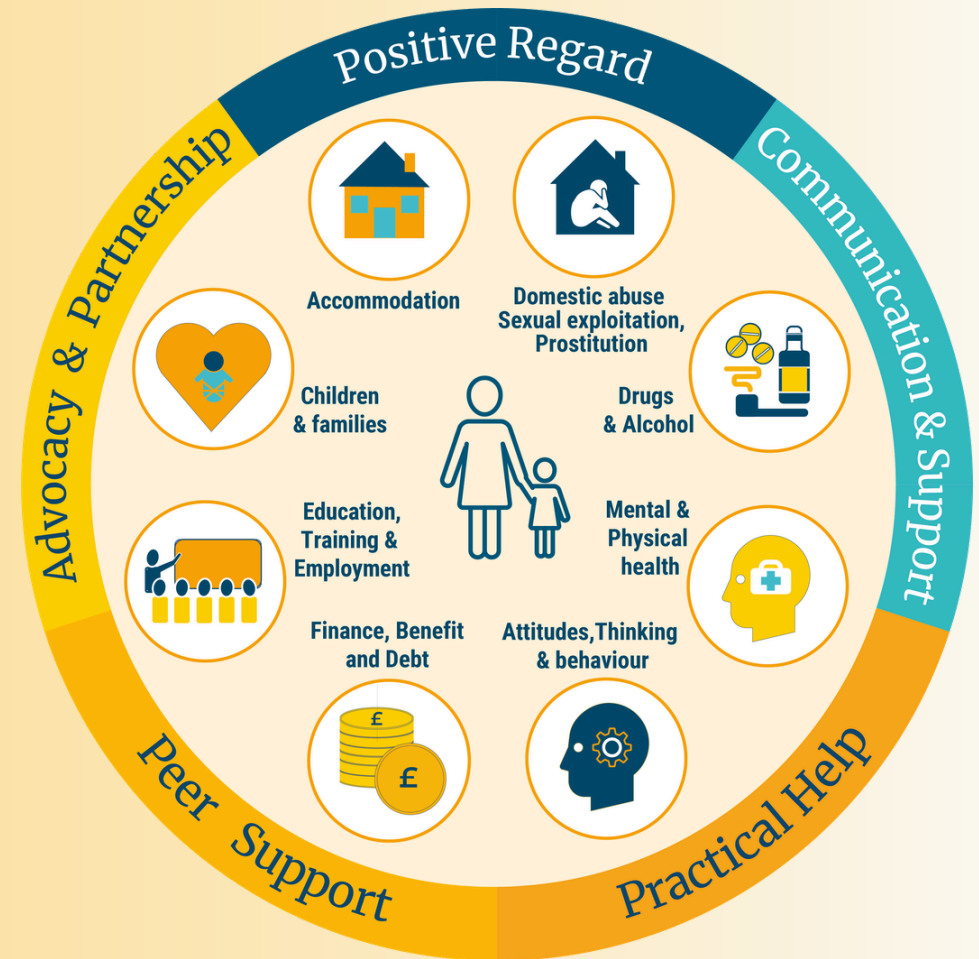

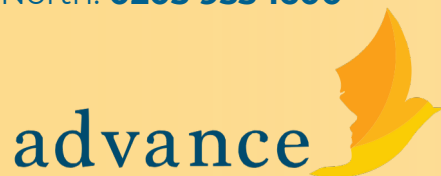

We accept referrals from police and all other professionals supporting women with contact with the Criminal Justice System via
