Advance, in partnership with the Metropolitan Police aims to divert women and young women away from the criminal justice system and provides dedicated support services tailored to women's needs.

Advance's Diversion Service offers:

- ▶ Targeted support and advocacy for women to address practical and emotional needs, including outreach services
- ▶ Intensive one-to-one support across all women's rehabilitative needs
- ▶ Safe, women-only local hubs pan-regional and Women's centres
- ▶ Access to tailored groups and workshops delivered by specialist providers
